COVID-19 (2019 Novel Coronavirus)

The Town of Oakville's health services are provided by Halton Region. Please check the Halton Region website [here](#) for the latest health related information. Please visit the Town of Oakville website [here](#) to learn more about the Town's latest response to COVID-19. These websites will continue to be updated as we receive information and updates.

With the exception of Town Hall, all town facilities are CLOSED in response to [#COVID19](#). Public access to Town Hall is restricted & only key services will be offered. Please try online services or calling 905-845-6601 as your first point of contact, or feel free to email me with any Town/Regional service requests. I can be reached [here](#).

Message to Residents

With COVID-19 declared a pandemic and currently 3 cases in Halton, I want to assure you that the health and safety of our community is our top priority. A few residents have reached out to me about helping seniors and other vulnerable people in our community. If you are also interested in helping please connect online in a community group, there are a lot that have been started online, [here](#) is one group on Facebook. The most important message I have for you is don't panic - take precautions. Keep

social distance, wash your hands and don't touch your face. Most importantly, stay home if you are not feeling well! See tips below on social distancing. Please, take care.

SOCIAL DISTANCING:

What does it mean?

Social distancing is the practice of reducing close contact between people to slow the spread of infections or diseases. Social distancing measures include limiting large groups of people coming together, closing buildings and cancelling events.
